

PROJECT STATUS REPORT FORM

REQUIRED: Please complete the following form for your UW Campus Sustainability Fund (CSF) award. This information is needed to accurately assess the progress of your CSF projects.

Project Description / Name:

The Denny Project

Project Leader:

Jack Johnson and Emily Newcomer

Budget # & Projected Project Balance (estimate):

Budget #16-4967, projected balance of \$0

% of Project Completed (estimate):

100%; project work is almost complete.

Projected Completion Date (estimate):

January 4th, 2014. As the final act of this work, we will participate in the Burke Museum's "Archaeology Day" event.

Milestones (please report on successful project activity this quarter)

Since our previous report (July 2013), we have:

- Participated in outreach events (Campus Sustainability Summit, Burke Museum events, etc.)
- Presented our results to more than 1,000 UW undergraduates (through course lectures)
- Hired our undergraduate outreach coordinator; this position was successful enough that Emily Newcomer has renewed it beyond the life of this project
- Participated in the Resource Fair at Dawg Daze. Promoted basic recycling and composting education to first year students that were in attendance.
- Developed new outreach materials based on our results and in collaboration with Housing & Food Services
- Created new social media outlet—Instagram— to promote waste reduction and improved recycling and composting at the UW Campus. When applicable we post cool sustainability initiatives to #sustainableuw
- Created promotional plan to increase likes for UW Garbology and Facebook pages
- Applied findings/best practices from Denny Project to the training we put together for this year's bluebag recycling outreach program.
- Used Denny Project results to convince department administration and building staff at the School of Social Work to adopt MiniMax and restroom paper towel composting.

Please return form to: Graham Golbuff, CSF Coordinator
csfcoord@uw.edu
Box 351248, UW, Seattle, 98195

PROJECT STATUS REPORT FORM

Challenges (please report on project elements that proved difficult this quarter)

Our timing for planning and participating in this year's First Year Programs orientation was off. First Year Programs begins planning for first year student orientations the Fall prior to the students arrival thus our presence at any orientation events was limited. Initial planning meetings for next year did take place during Fall quarter prior to funding for the student outreach coordinator being depleted.

Date: 12/18/2013

Please return form to: Graham Golbuff, CSF Coordinator
csfcoord@uw.edu
