Approval Requested: Bird Building Collision Study (CSF)

HS BUILDING MANAGEMENT <hsbuild@uw.edu>

Wed, Apr 20, 2022 at 12:39 PM

To: jbowes2 <jbowes2@uw.edu>

Hello Judy,

Paul is currently out on vacation until next Monday so I've been working with my assistant director on approval for this study. If I don't receive an update by Friday, I'll have to discuss the study with Paul when he returns Monday.

Thank you for your patience while we discuss and I apologize for the delayed reply.

Best,

Austin Strand
