Greetings,

My name is Alan Galvez and I am the Student Activities advisor for the First Nations registered student organization (RSO) at the University of Washington - Seattle (UW).

I would like to formally write this note of support for the RSO to receive their requested funding for their annual Spring Powwow event which brings together the local communities of our Native American students, partners, families, and community members. This annual event calls us to remember the origins of the land that UW is on and calls for the need to preserve our cultures and environments. This event creates unity and builds respect between the university, our local communities, and the people who have nurtured these lands for generations.

We hope that the legacy of this event will continue for the generations to come. We hope that you will highly consider this request and understand the work that our students, UW partners and local communities do to produce this event every year. It brings me joy knowing that we have Huskies who want to do these impactful events for both the university and the communities that we serve.

Thank you for your time in reading this note of support. Please reach out if you need any additional questions.

With Care,

Alan A. Galvez, M.Ed  
Senior Advisor, Student Activities Office
