

Project Approval & Support Form (PASF)

Project Title: Evaluating Campus Bird Building Collisions: A Critical Sustainable Design, Biodiversity, and Conservation Issue

Primary Contact: Judy Bowes (jbowes2@uw.edu)

By signing this form, I confirm that the project lead(s) has/have discussed this project with me, and that I/my department will provide the following types of approval and/or support (*please check all that apply*):

APPROVAL

Space (within a building) – I / my department approves this project to take place at the building noted in the project proposal.

Site (outside a building) – I / my department approves this project to take place at the outdoor location noted in the project proposal.

Financial – I / my department will take on the responsibility of future operational costs – staff, training, maintenance & repairs.

SUPPORT: These are ongoing commitments of individuals to oversee and provide subject matter advice to help advance proposals. A written letter may be provided on page 2. Please check all that apply:

Departmental Support – I Staff/ Faculty / Department am willing to provide resources (please specify below), space (temporary or permanent), on-going advising, one-time financial contributions, and/or academic program support, etc.

Subject Matter Experts – Willing to provide guidance regarding standard processes, typical detailing, review of proposals, on-going advising, etc.

External Consultants – Willing to provide donated time, materials, mentoring, etc (please specify below).

Other notes (if applicable): Molecular Engineering and Sciences
