

Project Approval & Support Form (PASF)

Project Title: Investigating stormwater runoff from athletic fields for tire derived anti-degradants and transformation products.

Primary Contacts: Alanna Hildebrandt (hilde210@uw.edu) and Jessica Ray (jessray@uw.edu)

By signing this form, I confirm that the project lead(s) has/have discussed this project with me, and that I/my department will provide the following types of approval and/or support (*please check all that apply*):

APPROVAL

Space (within a building) – I / my department approves this project to take place at the building noted in the project proposal.

Site (outside a building) – I / my department approves this project to take place at the outdoor location noted in the project proposal.

Financial – I / my department will take on the responsibility of future operational costs – staff, training, maintenance & repairs.

SUPPORT: These are ongoing commitments of individuals to oversee and provide subject matter advice to help advance proposals. A written letter may be provided on page 2. Please check all that apply:

Departmental Support – I Staff/ Faculty / Department am willing to provide resources (please specify below), space (temporary or permanent), on-going advising, one-time financial contributions, and/or academic program support, etc.

Subject Matter Experts – Willing to provide guidance regarding standard processes, typical detailing, review of proposals, on-going advising, etc.

External Consultants – Willing to provide donated time, materials, mentoring, etc (please specify below).

Other notes (if applicable):

Name/Signature of Approver or Supporter: Katie Beth

Date:

2/14/23

Position Title: Associate Director for Facilities & Operations

Department/Organization: UW Recreation

Phone: 206-543-7089

Email: kbeth6@uw.edu

Please save this completed form as "Project Contact Name_Project Name" and email it to csfproj@uw.edu & cc csfcoord@uw.edu
The email originating directly from the approving body will be considered a signature.

Updated: March 2020

Formal Letter of Support [Optional] / Additional Notes:

The staff from the UW Recreation can provide small quantities of turf infill. They will allow access to areas around the turf fields to be evaluated if stormwater runoff from the field can be accessed and collected for testing. They will provide some advising on how UW Recreation would like phase II of the project to proceed and what resources or data they would find valuable.

*Please save this completed form as "Project Contact Name_Project Name" and email it to csfproj@uw.edu & cc csfcoord@uw.edu
The email originating directly from the approving body will be considered a signature.*
