

Project Approval & Support Form (PASF)

Project Title: Resilience Tunnel

Primary Contact: Jan Whittington

By signing this form, I confirm that the project lead(s) has/have discussed this project with me, and that I/my department will provide the following types of approval and/or support (*please check all that apply*):

APPROVAL

Space (within a building) – I / my department approves this project to take place at the building noted in the project proposal.

Site (outside a building) – I / my department approves this project to take place at the outdoor location noted in the project proposal.

Financial – I / my department will take on the responsibility of future operational costs – staff, training, maintenance & repairs.

SUPPORT: These are ongoing commitments of individuals to oversee and provide subject matter advice to help advance proposals. A written letter may be provided on page 2. Please check all that apply:

Departmental Support – I Staff/ Faculty / Department am willing to provide resources (please specify below), space (temporary or permanent), on-going advising, one-time financial contributions, and/or academic program support, etc.

Subject Matter Experts – Willing to provide guidance regarding standard processes, typical detailing, review of proposals, on-going advising, etc.

External Consultants – Willing to provide donated time, materials, mentoring, etc (please specify below).

Other notes (if applicable): This is a UW Solar project that meets in the Urban Infrastructure Lab

Name/Signature of Approver or Supporter: Jan Whittington

Date: 2/3/2022

Position Title: Associate Professor

Department/Organization: Urban Infrastructure Lab, Department of Urban Design and Planning

Phone: 206-221-6298

Please save this completed form as "Project Contact Name_Project Name" and email it to csfproj@uw.edu & cc csfcoord@uw.edu
The email originating directly from the approving body will be considered a signature.

Updated: March 2020

Formal Letter of Support [Optional] / Additional Notes:

I am providing use of the lab, advice on project development, and coordination with students and campus administration for the project. Through UW Solar, students may also choose to receive course credit for participating in the project, though this is not a requirement for participation. I am also willing to manage the budget of the project through my lab (#68-0416).
