Agenda		
Time	Item	Facilitator
2:30-2:45	Meeting Purpose • [Review] Agenda for today ○ Meet new committee member ○ Catch up from summer/first half of quarter ○ Updates ■ Meeting agenda for rest of quarter coming soon ■ Nov 2nd lunch! 11:30-1 • allergies/dietary restrictions? • Zehra: does not eat pork • Sofia: does not eat pork or beef • Nino: vegetarian ○ Scoring walk through ○ Score mini grants • Committee members share ○ Opportunity for committee members to share relevant updates and events from their appointment ■ Pizza bake tomorrow! 4-6pm at UW farm	Sofia/Clara
2:45-3:25	Mini-grant Walk Through and Scoring • See which grant the most members didn't have time to get to, and walk through the entire process together ○ Everyone had chance to score! So just doing a quick scoring walkthrough • Take 10 minutes to score the other two using this spreadsheet Mini-Grant Reviewing Discussion! • VSAUW Phở King: Creases of Us ○ Concern was retreat budget line item, but since we are not funding it -less of an issue ○ Have SAO member listed as fiscal admin (which doesn't work) • Climate Data Sensemaking With Frontline Communities	Sofia/Clara

	○ Frontline (the non-profit) is a collaboration of multiple groups across washington state ○ Only concern was student involvement, but csf would be exclusively funding student time, would also be a deeply impactful experience ● Project Indoor Farm - Automation ○ Worries about timeline-seems super ambitious ■ Have quarterly check-ins with Lorenzo to see that they are making progress ■ Would likely be funding equipment as an educational tool rather than the specific project ○ Funding equipment rather than time-only reason they would need more funding is if they do something incorrectly and need to repurchase ○ Lorenzo is going to reach out and ask if they have plans to spend money sent to them last year ○ Worried maybe that the project might be siloed; but it does look like that the students involved come from all different majors ● Application is glitching and letting people fill out fiscal information without Grant Hierarchy (money distribution) ○ SAO not willing to serve as fiscal admin for RSOs Vote	
3:25-3:30	Final thoughts & adjourn - SAF site visits Nov 14 1-3 pm and will be 30 minutes during that time - Please block off this time period now if you are available	Danny
