Generative AI has a very harmful environmental impact while also disproportionately burdening communities of color, both of which conflict with CSF's core values. We would love to hear your voices rather than AIs.</p> <p>https://csf.uw.edu/files/media/csf-budget-form-24-25.xlsx</p> <p>For edits for the budget</p> <ul style="list-style-type: none"> - Add to the third line in the budget that we need to see quotes or links wherever possible - Second line item: specify which line items are being funded by other sources and who is funding them - If you have any questions, <u>reach out to the Grant and Project Coordinator</u> via email or by booking a meeting <p>Mini-Grant Voting</p>
